Days seem sometimes as if they'll never end
                     Db7
Sun digs its heels to taunt you
But after sunlit days
One thing stays the same
Rises the moon
                             Bbm6
Days fade into a watercolour blur
                 Db7
Memories swim and haunt you
But look into the lake
Shimmering like smoke
C#7M
          C#7M
Rises the moon
C#7M
0h-oh
Db7
Close your weary eyes
Gbdim
I promise you that soon the autumn comes
  C#7M
To darken
              F#7M
Db7
Fading summer skies
                  Bbm7
                          Bbm6
Breathe, breathe, breathe
```

Days pull you down just like a sinking ship
                   Db7
Bbm7
Floating is getting harder
                                          Gbdim
F#7M
But tread the water, child, and know that meanwhile
Bbm7
            Bbm6
Rises the moon
                                 Bbm6
Bbm7
Days pull you up just like a daffodil
                  Db7
Uprooted from its garden
               F#7M
                                             Gbdim
They'll tell you what you owe, but know even so
C#7M
Rises the moon
C#7M
You'll be
Db7
          F#7M
Visited by sleep
Gbdim
I promise you that soon the autumn comes
C#7M
To steal
Db7
Away each dream you keep
                          Bbm6
Gbdim
                 Bbm7
Breathe, breathe, breathe
