                                       Bbm6
Days seem sometimes as if they'll never end
                   Db7
Sun digs its heels to taunt you
But after sunlit days
One thing stays the same
Rises the moon
                            Bbm6
Days fade into a watercolour blur
            Db7
Memories swim and haunt you
But look into the lake
Shimmering like smoke Db Db
Rises the moon
Db
0h-oh
Db7
Close your weary eyes
Gbdim
I promise you that soon the autumn comes
To darken
Db7
Fading summer skies
                 Bbm
Breathe, breathe, breathe
```

```
( Bbm Bbm6 )
Days pull you down just like a sinking ship
                 Db7
Floating is getting harder
                                       Gbdim
But tread the water, child, and know that meanwhile
Rises the moon
Bbm
                               Bbm6
Days pull you up just like a daffodil
                Db7
Uprooted from its garden
               Gb
They'll tell you what you owe, but know even so
Rises the moon
Db
You'll be
Db7
Visited by sleep
Gbdim
I promise you that soon the autumn comes
Db
To steal
Db7
Away each dream you keep
                 Bbm
Ghdim
Breathe, breathe, breathe
(Bbm)
