

Libera - You Were There

Tom: Db

You were there - in everything I knew
From the moment - I began
Always there - in every way I grew
Saved me falling - held my hand

You were shelter from the storm
The shadows fade away
All cares pass away

As hour by hour and day by day
Your love lightens up the sky
As it shines across the night

Ave Regina, coelorum decora
Virgo gloriosa A - ve

And when the end of day is come
Stay with me through the dark and bring me home

You are there - whichever way I go
Keep me safely - night and day
Always there - whenever I'm alone
Hear me calling - show the way

You were shelter from the storm
The shadows fade away
All cares pass away

As hour by hour and day by day
Your love lightens up the sky
As it shines across the night

Ave Regina, coelorum decora
Virgo gloriosa A - ve

And when the end of day is come
Stay with me through the dark and bring me home
Stay with me through the dark and bring me home
