                                                                  The girl I thought I knew has gone
                                                                                                      G Gb G7
                                                                                  C
                                                                                               G
                                                                  And with her my heart it disappears
fim do Riff 1
Intro: C C Am C Dm G (2x) Acompanhado do Riff 1, 3 vezes
                                                                  Well I no longer hear the music
                                                                  (Riff 1)
                                                                  C Am C Dm G
Verso
       C
             C
                                                                  Oh no no no no no
Is it cruel or kind
      Am
               C
                                                                  Verso
Not to speak my mind
                                                                                             С
                                                                                                             C
                                                                  All the memories of the fights and the nights under
       Dm
And to lie to you
                                                                       Am
                                                                  blue lights
            G
Rather than hurt you
                                                                                             Dm
                                                                  And all the kites we flew together
          C
                              C
Well I\'ll confess all of my sins
                                                                                         G
                                                                  I thought they'd fly forever
      Am
                   C
After several large gins
                                                                                                         Am
                                                                  But all the highs and the lows and the tos and the
              Dm
But still I'll hide from you
               G
                                                                  fros
Hide what\'s inside from you.
                                                                               Dm
                                                                  They left me dizzy
    С
              С
And alarm bells ring
                                                                              G
                                                                  Won´t you forgive me
        Am
When you say your heart still sings
                                                                                       C
                                                                  I no longer hear the music
             Dm
                                                                  (Riff 1)
When you\'re with me
                                                                  Am C
  G
                                                                                      Dm G
Oh, won't you please forgive me
                                                                   I no longer hear the music
I no longer hear the music
                                                                  G Gb
(Riff 1)
            С
                                                                  (solo guitarra-base)
C Am
                         Dm G
Oh no no no no no
                                                                    CFCFCG
                                                                  F.
                        C
And the memories of the pubs and the clubs
                                                                  Refrão
                                                                              Gb
                                                                                      F
      Am
                     C
                                    Dm
And the drugs and the tubs we shared together
                                                                  I no longer hear the music when the lights go out
                   G
Stay with me forever
                                                                  Love goes cold in the shades of doubt
                                                                                                          G G Gb
                                                                  The strange fate in my mind is all too clear
                           С
                                        Am
But all the highs and the lows and the tos and the
                                                                                C
                                                                  Music when the lights come on
