

Lifehouse - Blind Acoustic

Tom: **A** ...floor woo woo woo

Tabbed by: r chi
 Email: refrain
 After all this time I never thought we'd be here

Tuning: standard
 ok, so this song is mostly strumming.
 this version is the one they did at 1.
 they only had an acoustic guitar, a bass guitar and a snare.
 it's pretty simple once you passed the first verse.
 and i timed the chord movements to the lyrics
 so it should be easy to follow.
 have fun.
 Intro:

versel
 I was young but I wasn't naive I watched helpless
 That I loved you more Than you'll ever know

As you turned around to leave
 And part of me died When I let you,

And still I have the pain I have to carry
 ...go(instrumental)

A past so deep That even you could not bury
 if you tried woo woo woo

refrain
 After all this time I never thought we'd be here
 never thought we'd be here

when my love for you is blind But I couldn't make you see
 it Couldn't make you see it

That I loved you more Than you'll ever know

And part of me died When I let you,

...go

verse2
 I would fall asleep Only in hopes of dreaming That

everything (hold this last chord)

Would be like it was before
