

Lifehouse - By Your Side

Tom: **C**

D
All I want now is to be with you
D
Cause you know I've been everywhere else
D **D** **A**
Looking back at what you got me through
D **D** **A**
You knew me better than I knew myself

Bm **A** **E**
When I feel lost and I can't find my way
Bm **A** **E**
When words are at a loss I can hear you say

A **Gbm** **Bm**
I'll be by your side, when all hope has died
D **E** **A** **Gbm**
I will still be around oh and I, I'm still on your side
Bm **D** **E**
When everything's wrong, I will still be around
D **D** **A**
By your side
Fighting my way back to where you are

The only place I ever felt at home
Stumbling backwards through the dark
I know how it feels to be alone

And where we go is where I wanna be
And in the silence I hear you say to me

I'll be by your side, when all hope has died
I will still be around, oh and I, I'm still on your side
When everything's wrong, I will still be around

F **C** **G**
I can't wait another day to show my space between
Am **C** **G**
Your heart and mine, and you're all that I need
C
You say I

Am **Dm**
I'll be by your side, when all hope has died
G **C** **Am**
I will still be around, oh and I, I'm still on your side
Dm **F** **G**
When everything's wrong, I will still be around
F **F** **C**
By your side....
