

# Lifhouse - How Long

Tom: C

G  
Climb on top of all you despise  
C  
It's a better view from the lies  
G C  
Two steps behind before I've begun  
G  
Time stops to tell me all I could have done

Em  
And I'll say  
B7 C G  
how long till the word will be completed  
Em B7 C G  
how many times will history repeat it  
Em B7 C  
how long will it take  
G  
how long  
C  
how long

Em B7 C G  
I want to go wanna show you the way  
G  
I'd rather be wrong than be deceived  
C  
to thinking that I believe  
G C  
that I can stand to be here on my own  
G  
there's too many questions that we won't ask  
C  
in hopes that this too will pass  
G C  
but how far down do we have to go before we know it  
Em B7 C G  
how long till the word will be completed  
Em B7 C G  
how many times will history repeat it  
Em B7 C  
how long will it take
