Your price to pay

Bb **Ab**
Is your task to break this chains

(refrão)

Fm Eb **Bb**
So where did it all go wrong

Fm
Every thing happen so fast

Eb **Bb**
How could we both believe

Fm
That this could ever last

Eb **Bb**
And if your not moving on

Ab
You can have the past

Cm
I'll keep the change

(repete notas)

Wonder where you lay

Out of this cave

The shadows of night keep you awake
Had by now learn your mistakes
There's still time to catch that chain

So where did it all go wrong
Every thing happen so fast
How could we both believe
That this could ever last
And if your not moving on
You can have the past
I'll keep the change

Cm **Gm**
Fall out the pieces of my heart

Fm **Ab**
Back to the place where you are

Cm **Gm** **Fm**
To reminde myself of --- I had come

Cm **Gm** **Fm** **Ab**
As I empty all this tears that I save up in a jar

Cm **Gm** **Fm**
Until this memories get dried by the sun

(**Ab Fm**) (2x)

Bb **Ab**
Remember there's still time to catch that chain

(notas refrão)

So where did it all go wrong
Every thing happen so fast
How could we both believe
That this could ever last
And if your not moving on
You can have the past
I'll keep the change
You can have the past
I'll keep the change
You can have the past
I'll keep the change.
