Feel till you're numb

F Am
Depth perception becoming the new deaf and dumb

C C
I'm losing myself just to find a place in your mind

F
In your mind

C C
Changing myself just to stand alone in your eyes

F
In your eyes

F G C C C C
Pull me in, take me out, make me over

C C
Read the wave, ride your fears

C C
In this ocean of years

F C C
We've been here, swimming on

C C

Take me deep, till I find

C C
Every corner of your mind

F C
We've been here, swimming on

Am Am
Touch till you taste

F
All the time we are wasting alone waiting here

C C
I'm losing myself just to find a place in your mind

F
In your mind

C C
Changing myself just to stand alone in your eyes

F
In your eyes

F G C
Pull me in, take me out, make me over and shout me out loud
