

Lifehouse - Only one

Tom: Eb

[INT] -> Eb - Ab
Eb - Ab

Eb
She's got a pretty smile
Ab
It covers up the poison that she hides
Cm **Bb**
She walks around in circles in my head
Ab
Waiting for a chance to break me
Cm
A chance to take me down
Bb
Now I see this burden you gave me
Ab
is too much to carry
Cm
Too much to bury inside
Ab **Eb**
I guess you're the only one
Bb **Cm**
That nobody changes
Ab **Bb**
I guess you're the only one left standing when everything else
goes down
Cm **Ab**
You're still the only one
Cm **Ab**
You're still the only one

Eb - Ab

It's all shallow and all so appealing
I'm up to my ankles and I'm drowning anyway in a sea of
Sarcastic faces
Familiar places
Where everything looks
Quite the same here it's
All confusingly amusing bitter and tainted
The picture you painted to me
I guess you're the only one
That nobody changes
I guess you're the only one left standing when everything else
goes down
You're still the only one
Who will never change faces
I guess you're the only one left standing when everything else
goes down

Just 'cause it's all in your head
Doesn't mean it has to be in mine
Don't believe what you said
Still can't get it out of my mind
I've tried to find myself in approval
I've already been there
Already done that
It got me nowhere
It brought me nothing but
A good place to hide in
No one to confide in now
I guess you're the only one that nobody changes
I guess you're the only one who will never
Change faces i guess you're the only one

Tuned down half a step maybe? Suuure:

Acordes
