How long have I been in this storm?  
Em7 D G G  
So overwhelmed by the ocean's shapeless form  
Em7 C G G  
Water's getting harder to tread  
Em7 D G  
With these waves crashing over my head  
G D Em7  
If I could just see you  
C G  
Everything would be all right  
G D Em7  
If I could see you  
D G G  
This darkness would turn to light  
Em7 C G G  
And I will walk on water  
Em7 D G G  
And you will catch me if I fall  
Em7 C G D Em7  
And I will get lost into your eyes  
C D G G  
And everything will be all right  
Em7 D Em7  
And everything will be all right

Because I'm so used to living underneath the surface
