```
Tom: E
  (intro) E B Dbm Gb - A
(verse 1)
This time
              Dbm
All I want is you
There is no one else
Who can take your place
You brought me with your eyes
You see past all the lies
You take it all away
(prechorus)
I've seen it all, it's never enough
It keeps leaving me needing you
(chorus)
Take me away
      Dbm
Take me away
I've got nothing left to say
       Gb
```

```
Just take me away
(verse two)
I try
To make my way to you
But still I feel so lost
I don't know what else I can do
Cause I've seen it all it's never enough
It keeps leaving me needing you
(chorus)
(bridge)
Don't give up on me yet
      Ab Gb
Don't forget who I am
Ab
I know I'm not there yet
            Gb
But til then, you stay around
(guitar solo over verse chords) (4 bars)
I've seen it all, it's never enough
Dbm
It keeps leaving me needing you
I've seen it all, it's never enough
It keeps leaving me needing you
Take me away
Take me away
I've got nothing left to say
Just take me away
