Lifehouse - Wrecking Ball

Tom: Db

    (intro 2x) Db Gb

Db
I'm alone
                        Gb
Wondering in your space
                    Db
Waiting for a sign of life
                    Gb
Looking so out of place
                    Db
Then you whisper to me
                    Gb
It doesn't matter what you say
Ab
I feel the weight against the wind
                                Gb
The demolition of me caving in

(refrão)
Bbm   Ab   Gb
And I'm always swinging on this wrecking ball
Bbm   Ab   Gb
While you're building up and breaking down my wall
Ab
You push and pull
You give and take
                            Bbm   Gb
And through it all I gravitate to you

Db   Gb
I'm a fool, a mechanical tool for you
                    Db   Gb
You've got all the switches and levers to blow my cool
                        Db
And when you know I'm broken

                            Gb
That's when you come shining through
Ab
You set me up to knock me down
                                        Gb
And leave my shattered pieces on the ground

Bbm   Ab   Gb
And I'm always swinging on this wrecking ball
Bbm   Ab   Gb
While you're building up and breaking down my wall
Ab
You push and pull

You give and take
                                    Db
And through it all I gravitate to you
