

Light Light - Kilo

Tom: C

Intro: Am

Am

A gram, a bite, a whisper
A whole, a scratch, a kilo

Cm

A leak, a mark
A squeezing sound
A leak, a mark
A squeezing sound

Dm

Am

A wave, a drop, a tiny whale
A wave, a drop, a fountain

Cm

Water runs in massive streams
Water runs in massive streams

Dm

We're gonna drive into the sea

To see what's under water

You got a seat right next to me

It's got to be there somewhere

Am

Float, jump, row, dive, swim, run, fight
Float, jump, row, dive, swim, run

Cm

Fight against the current
Fight against the current

Dm

We're gonna drive into the sea

To see what's under water

We're gonna take it all upstream

It's got to be there somewhere

F

We're gonna drive into the sea

To see what's under water

You got a seat right next to me

It's got to be there somewhere

Am

Can't stop this engine
From diving
Driving
Drifting
Driving

Cm

Can't stop this engine
From diving
Driving
Drifting
Driving home

F

We're gonna drive into the sea

To see what's under water

We're gonna take it all upstream

It's got to be there somewhere

We're gonna drive into the sea

To see what's under water

You got a seat right next to me

It's got to be there somewhere

F

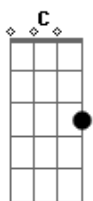

We're gonna ride the human sea

To see what's underwater

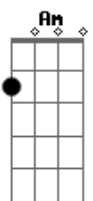

We're gonna find a place upstream

It's got to be there somewhere
