

Lighthouse Family - I Could Have Loved You

Tom: F

INTRO: F Eb7

F C
Far too many things have come between
F Bb
Where we are now, where we could have been
F C
Sometimes a chance, comes once
Eb Bb
And then it goes, right out the window
F G
Now the truth, shines through
Bb
I could have loved you

REFRÃO:

F C Bb
Now I know what a terrible mistake I've made
F C Bb
Now I know, this feeling's still around
F C Bb
Now I know just what a selfish little fool I've been
F C Bb
Now I know for sure this love will never go...
F Eb7
(Hey!) There must have been a way that
F
I could have loved you more
Eb7
Now I know, there must have been a day when
F Eb7 (2x)
I could have loved you more

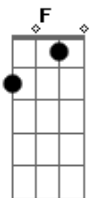

F C
Far too many times I let you down
F Bb
With the behavior of a typical clown
F
Selfish through and through
C Eb Bb
I told more than a few sophisticated lies, without a grain of truth
F C
But you could see, right through
Bb
I could have loved you
