Intro: C Am F C

I wish I knew how it would feel to be free
I wish I could break all the chains holdin' me
I wish I could say all the things that I should say
Say out loud say it clear
For the whole wide world to hear
I wish I could share all the love that's in my heart
Remove all the doubts that keep us apart
And I wish you could know how it feels to be me
Then you'd see and agree that every man should be free
I wish I could be like a bird in the sky,
How sweet it would be if I found I could fly
Well I'd zoom to the sun and look down at the see
And I sing, cause I know, how it feels to be free.

I wish I knew how it would feel to be free
I wish I could break all the chains holdin' me
And I wish I could say all the things that I wanna say
Say out loud say it clear
For the whole wide world to hear
Say out loud say it clear
For the whole wide world to hear
Say out loud say it clear
For the whole wide world to hear
One love, one God, one life
You got to do what you should
One life, with each other Sisters, brothers
One life, but we're not the same
We got to carry each other, carry each other
Ohoooo-hoo Ohoooo-hoo Ohoooo-hoo
I wish I knew how it would feel to be free
I wish I knew how it would feel to be free
