Intro: 2x: **Dm7 Em7 Am7**

Dm7
You told me not to make you wait
Then you don't call for days
Dm7
You told me not to be too late
Then you don't come to me

F
How many times you gonna let me down?
You're keeping me hanging on as if
Em7 Am7
I'm wrapped around your finger
F
Never believed that i'd ever find myself
Looking up to the upper hand and
Em7 G7
Loving every minute, baby

Dm7
I won't mind, ain't gonna give up as long as I
Em7 (G7)
know my own mind, don't wanna quit after all this time (2x)

Totally lost the way you came
Em7 Am7
Rainbow coloured day
Dm7
Opened out the way you changed

Em7 Am7
And then it all starts to fade
