

Liily - Toro

Intro: Sunkissed

Skin, it makes me feed into your mind tricks

Your eyes are ocean blue

But I'm seasick

Of all your pretty lies on your lipstick

Cryptic

[Refrão]

All my life want to take it over

All my life want to take it over

Stranger, do me the most

Look into my eyes, be the holy to my Ghost

Bless me, your strange love

[Segunda Parte]

Baby

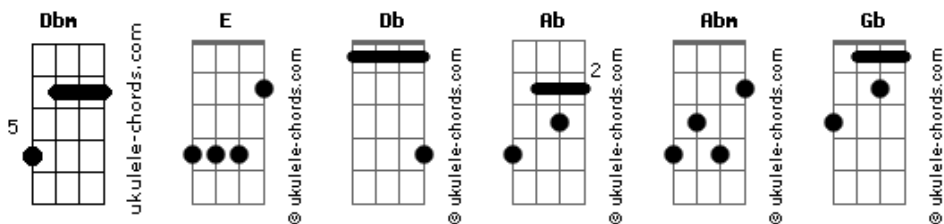

Where's the dirty love that you mentioned?

You make me start to question my own patience

I'm waiting on a knife to come an save me

Save me, please save me

Acordes

[Refrão]

All my life want to take it over

All my life want to take it over

Stranger, do me the most

Look into my eyes, be the holy to my Ghost

Bless me, your strange love

Hold me, give me a kiss

Wake me from this dream of a neverending pit

Bless me, your strange love

All my life want to take it over

All my life want to take it over

All my life want to take it over

All my life want to take it over

[Refrão]

All my life want to take it over

All my life want to take it over

Stranger, do me the most

Look into my eyes, be the holy to my Ghost

Bless me, your strange love

Hold me, give me a kiss

Wake me from this dream of a neverending pit

Bless me, your strange love
