Lil Darkie - I Can See Clearly

```
                    tom:
                     D
         G7M
 Let us begin
D7M                                 G7M
Once upon a time, Darkie was camping in the forest
                    D7M
Probably havin' a really nice dream
        G7M                      D7M
And, um, the sun started to rise and he woke up
                                          G7M
To the sight of a beam a light coming through his tent
          D7M
And uh, he couldn't wait to see what was outside
```

[Refrão]

```
G7M           D7M            G7M        D7M
I wish you saw me like you see you, see you (Oh, oh, oh)
G7M           D7M            G7M           D7M
I wish you saw me like you see you, see me, see you (And this
is what he thought about)
```

[Primeira Parte]

```
G7M              D7M           G7M        D7M
I wish you could see that I'm a person too
G7M              D7M           G7M        D7M
I wish you could see that I am hurtin' too
        G7M                      D7M
On the attack, the ignorance see me and they see food
             G7M                      D7M
But I'll see them yack if it's truly the last thing that I'll
do
             G7M                     D7M
And they want that back, the power to place someone under rule
          G7M                     D7M
But all of that's crap, hmm, all of that's crap to me
        G7M
All of that's crap
```
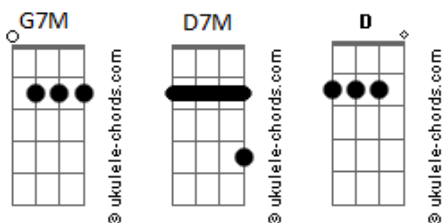

```
                 D7M                                G7M
I can't see your face through all this shit y'all talkin' to
me
                      D7M                            G7M
Let's sit down and mix perspectives up and sip that smoothie
                      D7M                            G7M
Hate will bring you down, won't bring you up if you move
smoothly
            D7M                             G7M
I may get around and act a clown, but you can't fool me
```

[Refrão]

```
D7M           G7M          D7M          G7M
I wish you saw me like you see you, oh, oh, oh
D7M           G7M                        G7M
I wish you saw me like you see you, see me, see you
```

[Pos-Refrão]

```
D7M             G7M
 I wish you saw me
D7M             G7M
 I wish you saw me at all
D7M             G7M
 Saw us both the same
D7M                  G7M
 I wish you saw me the same
```

[Final]

```
     D7M            G7M
Ooh,  na-na-na-na, na-na-na-na
       D7M            G7M
Na-na-na-na, na-na, na-na-na-na
     D7M         G7M            D7M
Na-na-na-na, na-na-na-na, na-na-na

I am outside right now and I see a hummingbird in the tree
Oh, iIt flies away, how beautiful
