tom:
D

G
Let us begin

D G
Once upon a time, Darkie was camping in the forest

D
Probably havin' a really nice dream

G D
And, um, the sun started to rise and he woke up

G
To the sight of a beam a light coming through his tent

D
And uh, he couldn't wait to see what was outside

[Refrão]

G D G D
I wish you saw me like you see you, see you (Oh, oh, oh)

G D G D
I wish you saw me like you see you, see me, see you (And this is what he thought about)

[Primeira Parte]

G D G D
I wish you could see that I'm a person too

G D G D
I wish you could see that I am hurtin' too

G D
On the attack, the ignorance see me and they see food

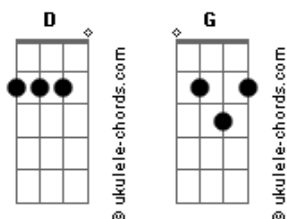

G D
But I'll see them yack if it's truly the last thing that I'll do

G D
And they want that back, the power to place someone under rule

G D
But all of that's crap, hmm, all of that's crap to me

G
All of that's crap

Acordes

D G
I can't see your face through all this shit y'all talkin' to me

D G
Let's sit down and mix perspectives up and sip that smoothie

D G
Hate will bring you down, won't bring you up if you move smoothly

D G
I may get around and act a clown, but you can't fool me

[Refrão]

D G D G
I wish you saw me like you see you, oh, oh, oh

D G D G
I wish you saw me like you see you, see me, see you

[Pos-Refrão]

D G
I wish you saw me

D G
I wish you saw me at all

D G
Saw us both the same

D G
I wish you saw me the same

[Final]

D G
Ooh, na-na-na-na, na-na-na-na

D G
Na-na-na-na, na-na, na-na-na-na

D G D
Na-na-na-na, na-na-na-na, na-na-na

I am outside right now and I see a hummingbird in the tree
Oh, iIt flies away, how beautiful
