

# Lil Dusty G - Preached

tom:  
Capostrate na 2ª casa

[Primeira Parte]

I thank the head of the Church, the king of the sheep  
My Messiah, my provider, everything that I need  
I got questions, questions, questioning me  
I remind myself of something that I don't wanna be

[Refrão]

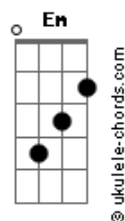

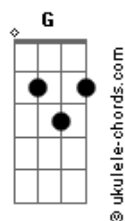

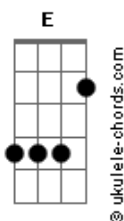

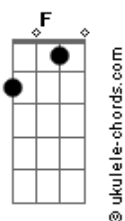

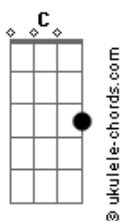

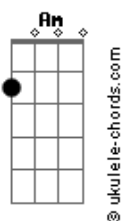

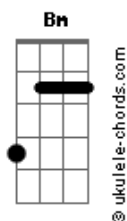

Hear my call, don't follow me  
I seem obsessed, it bothers me  
I know you won't get an apology  
Animosity, get it off, it off of me

( Am C F E )  
( Am C F E )

[Segunda Parte]

I love you so much it hurts, it hurts to believe  
That you'd be anything other than disappointing to me  
Straight into the dirt and out of your reach

## Acordes

I would rather live in ignorance than learn what I preached

[Refrão]

Hear my call, don't follow me  
I seem obsessed, it bothers me  
I know you won't get an apology  
Animosity, get it off, it off of me  
( Am C F E )  
( Am C F E )  
( Am C F E )  
( Am C F E )

[Ponte]

Here I am, here I am  
Here we go, sounds like you never known  
In the end, flowers bloom  
Lay me down

[Refrão]

Hear my call, don't follow me  
I seem obsessed, it bothers me  
I know you won't get an apology  
Animosity, get it off, it off of me
