

# Lil Nas X - Am I Dreaming (Feat. Miley Cyrus)

tom:

Every song  
Every dream filled with hell from beyond  
As i'm sinking  
I relive the story  
Every try  
Every breakthrough, and every cry  
As i'm sinking  
I relive the story  
[refrão]  
Oh-oh-oh, never forget me  
And everything i've done  
Oh-oh-oh, never forget me  
Like i'm your favorite song  
I'm fading, replaying  
These thoughts i thought while sinking down  
Oh-oh-oh, never forget me

And ev?rything i've done  
Tears running dry  
Shatt?red inside, but i still gotta smile  
As i'm sinking  
I relive the story  
Glitter comes off  
Battered and blue, but i gotta go on  
As i'm singing  
I rewrite my story  
[refrão]  
Oh-oh-oh, never forget me  
And everything i've done  
Oh-oh-oh, never forget me  
Like i'm your favorite song  
I'm fading, replaying  
These thoughts i thought while sinking down  
Oh-oh-oh, never forget me  
And ev?rything i've done
