[Riff 2]

E
Hello, old friend from the road
Abm
I wanted to write a note
D
To let you know that all in all
Dbm
It ain't all what it seems

[Riff 1]

E
I feel like I've hit a low
Abm
One I've never hit before
D
Lately I've been feeling small
Dbm
As the salt in the sea

[Riff 1]

E
Oh, it's so much to do in
So little of time
Abm
I feel like I fell a little behind
D
Hold up
Dbm
Hold up, hold up

[Riff 1]

E
It seems so much out of reach

The place I want to be
Abm
Whoever thought I'd get there anyway
D
Hold up

Dbm
Hold up, hold up

[Riff 1]

E Abm
I find it hard to get
D Dbm
Way to hard to live

[Riff 1]

E Abm
Tell me what you know
D Dbm
Now, before I go

[Riff 2]

E
Oh, Blue
Abm
I wrote for you
D
To say I'm gonna run away
Dbm
From home

[Riffs 1 e 2]

E
Oh, Blue
Abm
I love you too
D
But, today I'm gonna run away
Dbm
From home

[Riff 1]

E
Oh, I weep through the night
Abm
Can't find a love who loves me the same

Or as much as you do
D
Hold up
Dbm
Hold up, hold up

[Riff 1]

E
Oh, I reach out my hand, hoping that
They'll see
Abm
I'm more than what everyone tells me
D
Hold up
Dbm
Hold up, hold up

[Riff 1]

E
See, I'm getting tired of the way
I've been living
Abm
I'd rather die than to live with
These feelings
D
Stuck in this world where there's
So much to prove
Dbm

Every win gives you more
Room to lose

[Riff 2]

It's too many ups and downs on the ride
I spent inordinate 'mounts of time
Trapped in a lonely, loner life
Looking for love where I'm denied

[Riff 1]

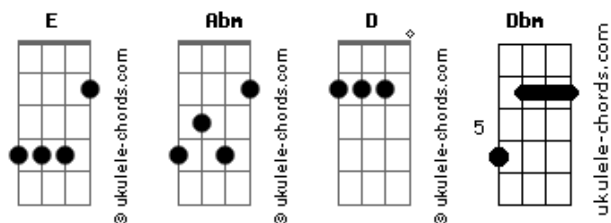

E I find it hard to get **Abm**
D Way too hard to live **Dbm**

[Riff 1]

E Tell me what you know **Abm**
D Now, before I go **Dbm**
