G
 This door in my home
D
 Ain't ever gon' let me grow
Em7
 She won't close now, honestly
Cadd9
 She's slowin' me down and it seems

G
 This river of gold
D
 Ain't ever gon' let me flow
Em7
 These aimless rides on a boat
Cadd9
 Have brought my tries to a halt

G
 So can we keep it going, keep it going?
D
 'Cause I miss the moments when the mornings dawned on me
Cadd9
 And I could see

G2
 So where do we go now?
D
 We've seen everything we had to see
Em7
Cadd9
 We figured it out, my love
G2
 So where are we going?
D
 So where do we go now?
Em7
 We did everything so endlessly
Cadd9
 And only to feel undone
G2
 So where are we going?

D
 Suddenly, gravity's just like me
Em7
 Pulling me down every chance it gets
Cadd9
 Holding me bound to the way I is

G
 Oh
D
 And therapy, there's no need
Em7
 It ain't no good for me
Cadd9
 Why would I wanna talk about the shit I did?
Cadd9
 A penny for your thoughts is really all it is
G
 So can we keep it going, keep it going?
D
 'Cause I miss the moments when the mornings dawned on me
Cadd9
 And I could see
G2
 So where do we go now?
Em7
 We've seen everything we had to see
Cadd9
 We figured it out, my love
G2
 So where are we going?
D
 So where do we go now?
Em7
 We did everything so endlessly
Cadd9
 And only to feel undone
 So where are we going?
G
 Consoled inside
D
 I just wanna be somebody new inside
Em7
 I just wanna be somebody else out there
Cadd9
 I just wanna be somebody, mmm
G
 I just wanna feel consoled inside
D
 I just wanna be somebody new inside
Em7
 I just wanna be somebody else out there
Cadd9
 I just wanna be somebody, mmm
G
 So where do we go now?
D
 We've seen everything we had to see
Em7
Cadd9
 And only to feel undone
 Where are we going?
