**Abm**  
'cause every time I leave I be missing you  
**E**  
And I know you will say: I do  
'cause I look up in your eyes, I can tell  
**B**

**Gbm** **Abm**  
On a winter night, I ran away so far

I ran away with you  
We slept inside my car

**Abm**  
Just to lie here by your side  
**E** **B**

Counting all the stars tonight

**Gbm**  
Took a long way home  
**Abm**  
Bumping all our songs  
**E**  
Smoking cigarettes  
**B**  
And feeling up her dress  
**Gbm**  
I always miss you the most, when I'm  
**Abm**  
Smoking dope  
**E**  
They say: Love heals you slow  
That's why I'm with you

**Abm**  
Would you lie here for a while?  
**E** **B**  
Would you lie here 'til I die?  
**Gbm**  
When I look at you  
**Abm**  
I can see right through
