

L PEEP - Nuts (feat. Lil Skil)

tom: Intro: F [Pre-Refrão] I can see it in your eyes Gbm That you wanna get out I can see it in your eyes That you need it right now That you need it right now That you wanna get out That you need it right now That you wanna get out [Refrão] Yeah, I just wanna hear the sound Drive our Camaros out of town Baby, we could leave right now (woah) Yeah, I just wanna feel alive Gbm Baby, take your time Smoking on this loud (woah) [Primeira Parte] Girl, you know you make my cold heart Warm with a touch D One kiss, then we fucking, I just can't get enough Put it on me, that's the best part Baby, the trust Trust me I got nothing for you other than love I remember eating pussy on the back of the bus I remember getting nookie till the Sun came up All the places that you took me No one came with us **Acordes**

[Pre-Refrão] I can see it in your eyes Gbm That you wanna get out I can see it in your eyes That you need it right now That you need it right now That you wanna get out That you need it right now That you wanna get out [Refrão] Yeah, I just wanna hear the sound Drive our Camaros out of town Baby, we could leave right now (woah) Yeah, I just wanna feel alive Baby, take your time Smoking on this loud (woah) [Segunda Parte] Girl, you know you make my cold heart Gbm Warm with a touch One kiss, then we fucking, I just can't get enough Put it on me, that's the best part Gbm Baby, the trust Trust me I got nothing for you other than love I remember eating pussy on the back of the bus I remember getting nookie till the Sun came up All the places that you took me No one came with us Same hoes overlook me, now they on my nuts

Same hoes overlook me, now they on my nuts
