

HUDDY - All The Things I Hate About You

tom:

Intro: Hahaha **A**

[Primeira Parte]

D
Take a bow
Gbm
You've got everybody fooled, I got you figured out
D
Now you're chokin' on your words, well, you should spit it out
Gbm
Know that I gave you the world and you just gave me hell
E
And you gave me hell

[Pré-Refrão]

D
Felt like a hundred punches
Gbm
Too many tough pills to stomach
D
I watched you making it public
Gbm
Lights, camera, it

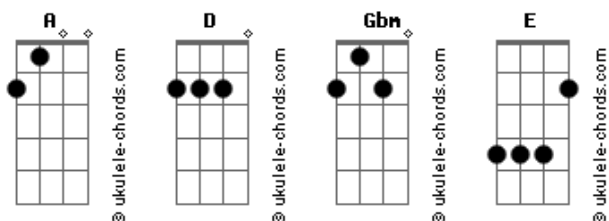

[Refrão]

D
You're a showstopper
Gbm
A bad liar, homie hopper, drama starter
E
All my friends are , we all got you in common
D
You're so fake and everyone should know about it
Gbm
And all the things I hate about you

[Post-Refrão]

Gbm
All the things I hate about you, yeah
D
All the things I hate about the way you manipulate me
Gbm

Acordes

Left me with no explanation
D
Every word is true, all the things I hate about you
Gbm
(All the things I hate about you)

[Segunda Parte]

D
You could've had a rockstar
Gbm
But you chose up on a bumstar
D
Bootleg version of me, that's your loss
Gbm
Had to find out through a photo
E
Hangin' on your arm like a knockoff

[Pré-Refrão]

D
Stab me in the back like nothing
Gbm
Never even saw this coming
D
I watched you making it public
Gbm
Lights, camera, it

[Refrão]

D
You're a showstopper
Gbm
A bad liar, homie hopper, drama starter
E
All my friends are , we all got you in common
D
You're so fake and everyone should know about it
Gbm
And all the things I hate about you

[Post-Refrão]

Gbm
All the things
