Intro: A Bm A E7 A E

Era a vida vazia, sem sentido

Sem rumo sozinha vaguei

Mas a mão que na cruz foi cravada me tocou

Nova vida ganhei

E a cruz transformou minha vida

Deu-me luz quando estava a vagar

A Jesus louvarei para sempre

Pois na cruz expirou em meu lugar

Oh, sim eu creio no monte calvário

E creio sim pois o preço pagou

Ao soar a trombeta e o mundo acabar

Pela cruz com Jesus hei de estar

Creio sim que Jesus tem poder pra salvar

Pois na cruz Ele o preço pagou

Transformou-me pra sempre, nova vida me deu

E eis porque pela cruz salva estou

Oh, sim eu creio no monte calvário

E creio sim pois o preço pagou

Ao soar a trombeta e o mundo acabar

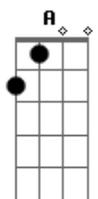

Pela cruz com Jesus hei de estar

[Final]

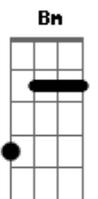

Pela cruz com Jesus hei de estar

Pela cruz com Jesus hei de estar
