G

You look so ugly when you lyin' to me Bm
E I don't feel nothin' when you cryin' to me Gbm
Bm And if you left, you know how fine I would be
E I got ten bitches, and they dyin' for me Gbm

You look so ugly when you lyin' to me Bm
E I don't feel nothin' when you cryin' to me Gbm
Bm And if you left, you know how fine I would be
E I got ten bitches, and they dyin' for me Gbm

So much time been wasted, tried on different faces Bm E
Gbm Love for you is fadin', and I'm tryna get you out the way
Bm E I know you chasin' a feelin' I erased from you
Gbm Lyin' to my face, I just had to do the race

Bm I told you, I love you, I'm switchin' around
E I gave you a chance and you let me down
Gbm You drop me, but you could've set me down
Bm I needed a breath, and you let me drown

So many different places E
Gbm I've been doin' things that I ain't proud of, leavin' traces

Bm You look so ugly when you lyin' to me
E I don't feel nothin' when you cryin' to me Gbm
Bm And if you left, you know how fine I would be
