Would you tell me what this all means, What happens if I go through that door  
**G**  
Cause I'm looking up at the ceiling, but it's turning into the floor

**D** When I'm bored, I, kinda drift away **G**  
I'm not sure, quite, why we work all day **D**  
I've been thinking, and I've got this plan **G**  
Let's go, right now

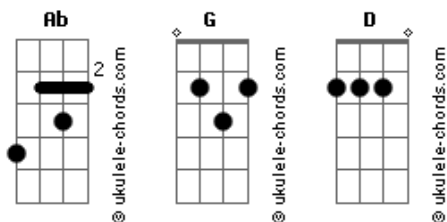

**D**  
Come meet me in the sky I'll be waiting for you  
And we can't hear what they say **G**  
Up in my air balloon, air balloon, air balloon  
**D**  
Sing, sing along, along any song you want to  
Now we're so high, it can't rain  
**G**  
Up in my air balloon, air balloon, air balloon, ha

**G** Na na na na na na... mmmm

**D**  
I don't like dropping names but Kurt Cobain is all in my face  
**G**  
How the hell am I gonna tell him Elvis already took first base  
**D**  
In and out of the blue this cruise is losing altitude, all we need  
**G**  
Is a little more elevation, take me back to where I can breathe

**D** When I'm bored, I, kinda drift away **G**  
I'm not sure, quite, why we work all day **D**  
I've been thinking, and I've got this plan **G**
