

# Lily Allen - Back To The Start

Tom: G

Verso 1:

Em C G  
 When we were growing up you always looked like you were having such fun  
 Em C G  
 You always were and you always will be the taller and the prettier one  
 Em C  
 People seem to love you  
 G D  
 They gravitate towards you  
 Em C  
 That's why I started to hate you so much  
 A B  
 And I just completely ignored you

Refrão:

C G D C  
 I don't know why I felt the need to keep it up for oh so long  
 G D C  
 It's all my fault I'm sorry you did absolutely nothing wrong  
 C  
 I don't know why I felt the need to drag it out for all these years  
 G  
 All the pain I've caused you  
 B C  
 The constant flow of all the tears  
 G D C  
 Believe me when I say that I cannot apologise enough  
 G D C  
 When all you ever wanted from me was a token of my love  
 G D C  
 And if it's not too late  
 G B Em C G D  
 Could you please find it deep within your heart  
 To try and go back go back to the start  
 Em C G B

Verso 2:

Em C G D  
 I've been so evil with my constant invasions  
 Em C  
 But you made it so easy for me  
 G B  
 You always rise to the occasion  
 Em C G D  
 I'll always pull you up on every stupid thing that you say  
 Em C  
 But I found it so entertaining  
 A B  
 Messing around with your head
