

Lily Allen - Friend Of Mine

Tom: **Ab**

Fm Bbm

Fm

I don't want us to have a fight
But in the background
I can hear you chatting shite

Bbm

I hear it every night

Fm

And you think you're being really cool
And you've been doing it
Since we were both at school

Bbm

Now who looks like a fool

You're no friend of mine, girl
And I've known it for a while, girl
You're just a waste of time, girl
Why don't you have another line, girl?

Tell me what did you expect
Have you got no self respect?
Reputation to protect?
Soon you'll be a nervous wreck
Tell me what did you expect
Have you got no self respect?
Reputation to protect?
Soon you'll be a nervous wreck

What happened to the good old days?

I was kinda hoping this was all a stupid phase
Who are you anyway?
[Friend Of Mine lyrics on <http://www.metrolyrics.com>]

I know you've heard this all before
I know some people who are calling you a whore
Don't know you anymore

You're no friend of mine, girl
And I've known it for a while, girl
You're just a waste of time, girl
Why don't you have another line, girl?

Tell me what did you expect
Have you got no self respect?
Reputation to protect?
Soon you'll be a nervous wreck
Tell me what did you expect
Have you got no self respect?
Reputation to protect?
Soon you'll be a nervous wreck

Tell me what did you expect
Have you got no self respect?
Reputation to protect?
Soon you'll be a nervous wreck
Tell me what did you expect
Have you got no self respect?
Reputation to protect?
Soon you'll be a nervous wreck
