( **G D** )  
Riding through the city on my bike all day  
Cause the filth took away my license  
It doesn't get me down and I feel ok  
Cause the sights that I'm seeing are priceless  
Everything seems to look as it should  
But I wonder what goes on behind doors  
A fella looking dapper, but he's sitting with a  
slapper  
Then I see it's a pimp and his crack whore

**G D Em C**  
You might laugh, you might frown  
**G D Em C**  
Walking round London town

**G D**  
Sun is in the sky oh why oh why?  
**Em D**  
Would I wanna be anywhere else

**Em D**  
Would I wanna be anywhere else

( **G D** )  
When you look with your eyes  
Everything seems nice  
But if you look twice  
You can see it's all lies

( **G D** )  
There was a little old lady, who was walking down the

road  
She was struggling with bags from Tesco  
There were people from the city having lunch in the  
park  
I believe that it's called al fresco  
When a kid came along to offer a hand  
But before she had time to accept it  
Hits her over the head, doesn't care if she's dead  
Cause he's got all her jewellery and wallet
