

Lily Allen - Oh My God

Tom: A

Gbm
Time on your side that will never end
B
The most beautiful thing you can ever spend
Gbm
But you work in a shirt with your name tag on it
B
Drifting apart like a plate tectonic

B **Gbm**
It don't matter to me
E **D**
'Cos all I wanted to be
B **Gbm**
Was a million miles from here
E **D**
Somewhere more familiar

Gbm
Too much time spent dragging the past up
B
I didn't see you not looking when I messed up
Gbm
Settling down in your early twenties
B
Sucked more blood than a backstreet dentist

B **Gbm**
It don't matter to me
E **D**
'Cos all I wanted to be
B **Gbm**
Was a million miles from here
E **D**
Somewhere more familiar

Gbm
Oh my god I can't believe it
Gbm **D** **E**
I've never been this far away from home
Gbm
And oh my god I can't believe it
Gbm **D** **E**
I've never been this far away from home
Gbm
And oh my god I can't believe it
Gbm **D** **E**
I've never been this far away from home
Gbm
And oh my god I can't believe it
Gbm **D** **E**
I've never been this far away from home

Solo (Trumpet)

Gbm
Great rulers make for greater glory
B
The only thing growing is our history
Gbm
Knock me down I'll get right back up again
B
I'll come back stronger than a powered up Pac-Man

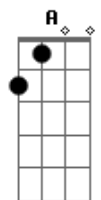

B **Gbm**
It don't matter to me
E **D**
'Cos all I wanted to be
B **Gbm**
Was a million miles from here
E **D**
Somewhere more familiar

Gbm
Oh my god I can't believe it
Gbm **D** **E**
I've never been this far away from home
Gbm
And oh my god I can't believe it
Gbm **D** **E**
I've never been this far away from home
Gbm
And oh my god I can't believe it
Gbm **D** **E**
I've never been this far away from home
Gbm
And oh my god I can't believe it
Gbm **D** **E**
I've never been this far away from home

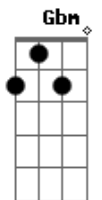

Solo (Trumpet)

Gbm
Oh my god I can't believe it
Gbm **D** **E**
I've never been this far away from home
Gbm
And oh my god I can't believe it
Gbm **D** **E**
I've never been this far away from home
Gbm
And oh my god I can't believe it
Gbm **D** **E**
I've never been this far away from home
Gbm
And oh my god I can't believe it
Gbm **D** **E**
I've never been this far away from home
