**Ab** **Bb**  
1 AM, eyes closed, I'm slowly falling  
**Eb** **Ab**  
To the music and the atmosphere

Now and then, I?feel?lights fading softly

All?over me and I remember last?year

**Fm**  
When I was alone in my bed

With all these thoughts in my head  
**Eb** **Cm** **C**  
And living silently inside  
( **Fm** **Bb** **Gm** **Ab** )

[Refrão]

**Fm** **G7** **Cm** **Eb**  
Then I dream about times I wished for a new, happier day  
**Fm** **Bb** **Gm** **Db**  
If a hand could reach out right now and save my life somehow
