Take a Look Aroundo Letra

All the teachin' in the world today
All the little girls fillin' up the world today
When the good comes to bad the bad comes to good
But I'm gonna live a life like I should (like I should)
Now all the critics wanna hit it
Shit can ever did it
just Because they don't get it
But I'll stay fitted
new era committed
Now this red cap
Gets a rap from his critics

Do we always gotta cry? (gotta cry)
Do we always gotta live inside a lie (inside a lie)
Life's just a blast
It's Movin really fast
Better stay on top
or life will kick you in the ass

Follow me into a solo
Remember that, kid
So what you wanna do?
where you gonna run
When your starin down the cable
of a mic pointed at your grill like a gun
Limp Bizkit is rockin the set
Its like Russian Roulette
When your placin' your bet
So don't be upset
when your broke
And you're done
Cuz im gonna be the one
'till I jet

I know why you wanna hate me

I know why you wanna hate me
I know why you wanna hate me
Cuz hate is all that the world has even seen lately
I know why you wanna hate me
I know why you wanna hate me
Now I know why you wanna hate me
Cuz hate is all the world that's even seen lately
Now you wanna hate me
Cuz hate is all the world that's even seen lately
Now you wanna hate me
Cuz hate is all the world that's even seen lately

Does anybody really know the secret
Or the combination for this life and where to keep it
Its kinda sad when you don't know the meaning
But everything happens for a reason (metaphor)
I don't even know what I should say
Cuz I'm an idiot, a loser, microphone abuser
I analyze every second I exist
Beating on my mind every second with my fist

Everybody wanna run (wanna run)
Everybody wanna hide from the gun (hide from the gun)
You can take this ride through this life if you want
But you can't take the edge off the knife (no sir)
And now you want your money back (money back)
But your denied cuz your brains fried from the sack
And there ain't nothing I can do
Cuz life is a lesson you learn it when your through
I know why you wanna hate me
I know why you wanna hate me
I know why you wanna hate me
Cuz hate is all the world has even seen lately
I know why you wanna hate me
I know why you wanna hate me
Now I know why you wanna hate me
Cuz hate is all the world that's even seen lately
Now you wanna hate me
Cuz hate is all the world that's even seen lately

(Now I know why..) x4

Now I know why you wanna hate me
Now I know why you wanna hate me
Now I know why you wanna hate me
Cuz hate is all the world that's even seen lately
Cuz hate is all the world that's even seen lately
Cuz hate is all the world that's even seen lately
