Lina Linassi - Infinity

```
                 tom:
                       G
Intro: G  D  C  Am  C
         D  Em  G  D  C
          Am  C  D  G
```

```
D
Come on let's party
                   C
Come on let's dance
D
Let's rock the night
                 C
Let's get the chance

D
Grab your beer
                    C
Whatever your drink
C
May you just follow
            C
Your instincts

D
Feel your body
          C
You are sweet
D
You are on fire
              C
You are the heat

D
Shake your body
            C
Shout out loud
D
You are the one
             C
I'm really proud

G       D  C Am
Come on over
```
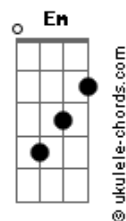

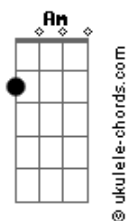

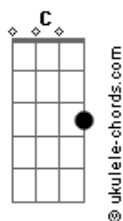

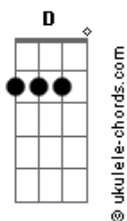

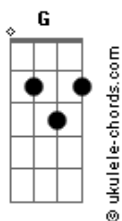

```
C       D    Em
Come with me
G       D   C  Am
Feel the vibe
C      D   G
Feel the breeze
G       D    C  Am
Party's not over
            C    D    Em
There's another hit
C                  D
Follow the song
G          D    Em
Feel your body heat
C   D   G  D   Em
You are Infinity

D
Night is a child
                 C
That never sleeps
D
Feel the power
                       D
Take another drink

D
I dare you to try
               C
Staying awake
D
Don't go to sleep
               C
It's a mistake
Em                        C   D  Em
I love the way she moves... Infinity
Em                        G   D Em
I love the way she dances... Infinity
Em                        C   D  Em
I love the way she laughs... Infinity
C        D        G  D   Em
I just love her the way she is

The Enemy of the end!
```
