

Lina Morgana - My Angel

tom:

C

My angel You're always near **C** **Em** **Am**
C **Em** **Am**
My angel You're all I fear **C** **Em**
The silent clouds tell me that something's wrong **Am**
They're moving towards me and it won't be long **C** **Em** **Am**
I try to run but my body's frozen over

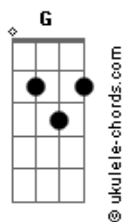

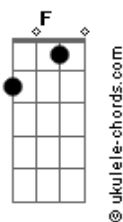

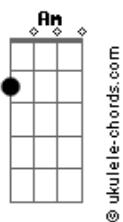

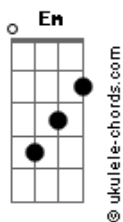

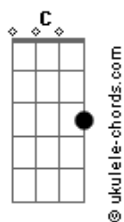

F **G**
But I won't be afraid **Em** **Am**
No I won't be afraid **F** **G** **Am**
And I don't believe when you said you even loved me

F **G**
But I won't be afraid **Em** **Am**
No I won't be afraid **F** **G** **Am**
And I don't believe when you said you even loved me

C **Em** **Am**
Been wearing the mask to hide what's true **C**
Under shades of glass there's black and blue **Em** **Am**
The time has come to dig the grave
To bury your heart that just can't be saved

C **Em**
The silent clouds tell me that something's wrong **Am**
They're moving towards me and it won't be long

Acordes

C **Em** **Am**
I try to run but my body's frozen over

F **G**
But I won't be afraid **Em** **Am**
No I won't be afraid **F** **G** **Am**
And I don't believe when you said you even loved me

C **Em** **Am**
You don't know how scared I am to have to see you again **Am**
You don't know how lost I am , I don't think you understand **C** **Em**
But I think it's time I really should leave **Am**
I'll take a piece of you with me , so please don't reach out to me **Am**
The spell is broken... now I'm free

C **Em**
The silent clouds tell me that something's wrong **Am**
They're moving towards me and it won't be long **C** **Em** **Am**
I try to run but my body's frozen over

F **G**
But I won't be afraid **Em** **Am**
No I won't be afraid **F** **G** **Am**
And I don't believe when you said you even loved me

C **Em** **Am**
My angel You're always near **C** **Em** **Am**
My angel You're all I fear
