F7M **Bb7M**
 Far away, a distant love affair

 Grew into something that was gentle and sentimental

 And now I know that love has found full glory
F7M **Bb7M**
 Closer now, your love has warmed a heart

 That could have frozen in these cold days
F
 Where love is laughed at
Gm **C**
 Until you came to show me love's full glory

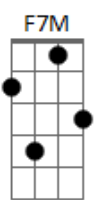

Gbm **D**
 First of all my sadness
Gbm **Dbm**
 Warmed in the sunshine

 When you came to show me that love will never die
Gbm **D**
 Now I'm not so lonely
Gbm **Dbm**
 You are here beside me
Gbm **D** **E** **A**
 Giving me the confidence that you alone can show

 Take me home
