

Linkin Park - A Line The Sand

Tom: F

Dm C
Today, we stood on the wall
Bb C
We laughed at the sun, we laughed at the guns
Dm C
We laughed at it all
Dm C
And when they, they told us to go
Bb C
We paid them no mind, like every other time
Dm C
But little did we know
(Dm C Bb A) 2x

Dm C
Today, I look for a sign
Bb C
With flames in my hands
C
A line in the sand
Dm C
Between yours and mine
Dm C
And it came, like fire from below
Bb C
Your greed led the call
C
My flag had to fall
Dm C
But little did you know
Dm C
Another day, your truth will come
Bb C
You're gonna pay for what you
A
Pay for what you've done
Dm C
You'll get what's yours
C
And face your fraud
Bb A
You're gonna give me back what's mine
Dm C
Give me back what's mine!

Dm C
I ain't never been a coward
C
I aint never seen blood
Bb C
You had sold me an ocean
A
And I was lost in the flood
Dm C
We were counting on a leader
C
We were driven by need
Bb C
Couldn't take temptation
A
And we were blinded by greed
Dm C
You were steady as a sniper
C
We were waiting on a wire
Bb

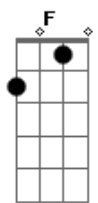

So we never saw it coming
A
When you ran from the fire
Dm C
You can try intimidation
C
Or you can try to ignore
Bb
But when the time comes calling
A
Yeah! You are gonna get yours!
Dm C
Another day, your truth will come
Bb C
You're gonna pay for what you
A
Pay for what you've done
Dm C
You'll get what's yours
C
And face your fraud
Bb A
You're gonna give me back what's mine
Dm C
Give me back what's mine!

2x Dm C Bb A (actually there's a solo, but I don't know what to play instead so I thought to repeat the chorus once)

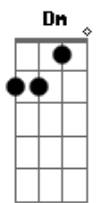

Dm C
And so today, your truth has come
Bb C
You're gonna pay for what you
A
Pay for what you've done
Dm C
You'll get what's yours
C
You're out of time
Bb A
And you will give me back what's mine
Dm C Bb
Give me back what's mine!
A Dm C Bb
Give me, give me back what's mine!
A Dm C
Give me, give me back what's mine!
Bb A Dm
What's mine, give me, give me back what's mine!
C
What's mine!
Bb
What's mine!
A Dm
Give me back what's mine!

C
Today, we stood on the wall
Bb C
We laughed at the sun, we laughed at the guns
Dm C
We laughed at it all
Dm C
And when they, they told us to go
Bb C
We paid them no mind, like every other time
Dm
But little did we know
