

Linkin Park - A Place For My Head

tom:
G

Verse:

I watch how the

Em Moon sits in the sky in the dark night

C Shining with the light from the sun

Em The sun doesn't give light to the moon assuming

C The moon's going to owe it one

Em It makes me think of how you act to me You do

C Favors and then rapidly You just

Em Turn around and start asking me about

C Things that you want back from me

Em I'm sick of the tension sick of the hunger

C Sick of you acting like I owe you this

Em Find another place to feed your greed

C While I find a place to rest

Chorus:

Em I want to be in another place

I hate when you say you don't understand
(You'll see it's not meant to be)

Em I want to be in the energy, not with the enemy

A place for my head

Verse:

Em Maybe someday I'll be just like you and

C Step on people like you do and Run

Em Away the people I thought I knew

C I remember back then who you were

Em You used to be calm used to be strong

C Used to be generous but you should've known That you'd

Em Wear out your welcome now you see

C How quiet it is all alone I'm so

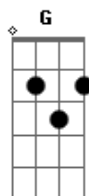

Em Sick of the tension sick of the hunger

Sick of you acting like I owe you this

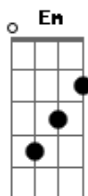

C Find another place to feed your greed

While I find a place to rest I'm so
