[Primeira Parte]

You're too ignorant to fail

I can't look you in the eye

And I can't even tell

If you've been telling me a lie

Every time you start

It's like the 4th day of July

Reckless like you're making rockets

Just to blow up in the sky

(Riff)
Feeling like it's chemical

All under my skin, like it's medical

Stuck on repetitions

That are only hypothetical

Acting like the truth

And your opinion are identical

And I can't seem to let it go

[Pré-Refrão]

Everything was perfect

Always made me nervous

Knowing you would burn it

Just to watch it burn

[Refrão]

Cut the bridge we're on

(Cut it down, cut it down

Down, cut it, cut it down)

Going 'til it's gone

(Cut it down, cut it down

Down, cut it, cut it down)

Sabotage it all just to watch it fall

Cut the bridge we're on

(Cut it down, cut it down

Down, cut it, cut it down)

[Segunda Parte]

I'm too gullible to win

Didn't have a way to choose

Grew up thinking trying

Meant you never really lose

Didn't put the powder

In the keg and when it blew

I was sitting in the dynamite

For you to light the fuse

(Riff)
Ooh, looking like a criminal

Sneaking in the dark, you're invisible

Hidden, you're wrapped around my

Neck just like a tentacle

Acting like the truth

And your opinion are identical

And I can't seem to let it go

[Pré-Refrão]

Everything was perfect

Always made me nervous

Knowing you would burn it

Just to watch it burn

[Refrão]

[Tab - Ponte]

Parte 1 de 2

Something in my head feels broken
 I'm the gas from a burner left open
 I'm the tightrope
 Held up by a clothes pin
 Holding out
 But the pressure keeps growing
 Wanna go to the light and not the shadow
 But the branch isn't shiny as the arrow
 You don't ever find a way around a battle
 You will always choose

Acordes

Just to watch it bu_____rn
 Just to watch it bu_____rn
