[Primeira Parte]

Now, sometimes these thoughts Dbm  
In my head speak so loud A  
Every little thing that Ab E  
I think about just built  
On top of the pain and doubt Gbm Ab  
Even though I wanna just let it out Dbm  
I try to act like I don't mind it A Ab  
Try to keep my mouth so quiet E  
But sittin' there in my silence Gbm Ab  
Just seems to amplify it Dbm  
When I thought that keepin' A Ab  
This inside would make it better E  
I never thought that I would Gbm Ab  
End up ruining it forever Dbm  
But everytime I think A Ab  
I got everything put back together E  
I end up making more regrets Gbm Ab  
Making more regrets

[Refrão]

Dbm  
I can't run with this  
Weight on my back A E  
I can't see 'cause Gbm  
I'm focused on the past Dbm  
I can't breathe  
I need to break free A  
From the anger that is E Gbm  
Constantly inside of me Dbm  
I can't run with this  
Weight on my back A E  
I can't see 'cause Gbm

[Segunda Parte]

Dbm  
I didn't want you to think A  
I'm worn out so easily Ab E  
I wish I'd held it in, so you never Gbm Ab  
Knew what built up inside of me Dbm  
Now, I don't know how it overflows A  
Spill out unwillingly Ab E  
But now, everything that I learned Gbm

To hate came out for you to see  
Ab Dbm  
I don't want you to promise you can  
A Ab  
Change everything and make it better  
E  
'Cause you can bet, I'm gonna  
Gbm Ab  
End up ruining it forever  
Dbm  
And everytime you think, you  
A Ab  
Got everything put back together  
E  
I end up making more regrets  
Gbm Ab  
Making more regrets
