## Linkin Park - Heavy

```
Tom: D
                                                           Refrão:
  Primeira Parte:
                                                                     Gbm A
                                                           I'm holding on
               Gbm A
                                                            Dbm
                                                                               D
                                                           Why is everything so heavy
I don't like my mind right now
                                      D
            Dbm
                                                               Gbm A
                                                           Holding on
Stacking up problems that are so unnecessary
                                                                                   D
                  Gbm
                         Α
                                                            Dbm
Wish that I could slow things down
                                                           To so much more than I can carry
          Dbm
                                        D
                                                              Gbm
                                                                                        Α
                                                           I keep dragging around what's bringing me down
I wanna let go but there's comfort in the panic
                                                             Dbm
And I drive myself crazy
      Gbm A
                                                                               D
                                                           If I just let go, I'd be set free
                                                                 Gbm A
Thinking everything's about me
                                                           Holding on
                                                            Dbm
                                                                               D
        Gbm A
                                                           Why is everything so heavy
Yeah I drive myself crazy
                         D
       Dbm
Cause I can't escape the gravity
                                                           Ponte:
                                                              Gbm
Refrão:
                                                           I know I'm not the center of the universe
                                                              Dbm
                                                                                              D
          Gbm A
                                                           But you keep spinning round me just the same
I'm holding on
                                                              Gbm
                                                           I know I'm not the center of the universe
 Dbm
                    D
Why is everything so heavy
                                                               Dbm
                                                                                              D
                                                           But you keep spinning round me just the same
      Gbm A
Holding on
                                                                 Gbm
 Dbm
                         D
                                                           And I drive myself crazy
To so much more than I can carry
                                                                 Dbm
                                                           Thinking everything's about me
     Gbm
I keep dragging around what's bringing me down
   Dbm
                      D
                                                           Refrão:
If I just let go, I'd be set free
     Gbm A
                                                                     Gbm A
Holding on
                                                           I'm holding on
 Dbm
                    D
                                                            Dbm
                                                                               D
Why is everything so heavy
                                                           Why is everything so heavy
                                                                 Gbm A
                                                           Holding on
Segunda Parte:
                                                            Dbm
                                                                                    D
                Gbm A
                                                           To so much more than I can carry
You say that I'm paranoid
                                                                Gbm
                                                           I keep dragging around what's bringing me down
              Dbm
                                      D
But I'm pretty sure the world is out to get me
                                                             Dbm
                                                                               D
                                                           If I just let go, I'd be set free
               Gbm
                                                                  Gbm A
It's not like I make the choice
                                                           Holding on
   Dbm
                             D
To let my mind stay so fucking messy
                                                            Dbm
                                                                               D
                                                           Why is everything so heavy
   Gbm
I know I'm not the center of the universe
    Dbm
                                                           Final 2x:
But you keep spinning round me just the same
                                                           (Gbm A)
                                Α
   Gbm
I know I'm not the center of the universe
                                                            Dbm
                                                                               D
    Dbm
                                  D
But you keep spinning round me just the same
                                                           Why is everything so heavy
