

# Linkin Park - Hole

Tom: **A**

I would have sailed away  
If I'd known that nothing would change  
staring out my window sill  
In my wasted prison cell

**D** **E**  
And I know what you want  
**D** **E**  
And I know what you fear  
**D** **E**  
As I cradle your loving  
**D** **E**  
And watch you disappear

Refrão -----  
**D** **A** **F**  
And I feel your heartbeat  
**D** **A** **F**  
Pounding in my head  
**D** **A** **F**  
I like to control you  
**D** **A** **F**  
Cause I can't control myself

**D**  
Rain,  
**A** **F**  
Come my way  
**D**  
Mold my head  
**A** **F**  
Like a ball of clay  
**D** **A** **F**  
Softly wither into my grave  
**D** **A** **F**  
Never to see, the sun again

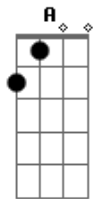

(Refrão)

**D** **A** **E**  
All alone in a crowd by myself  
**D** **A** **E**  
So sorry, wish I could find a way  
**D** **A** **E**  
Back into your hole again  
**D** **A** **E**  
But I've become your enemy

(Refrão)
