

Linkin Park - Invisible

Tom: **E**
Intro: 2x: **B Dbm Abm E**

Primeira Parte:
B
I've got an aching head
Ebm
Echoes and buzzing noises
Abm
I know the words we said
E
But wish I could've turned our voices down

B
This is not black and white
Ebm
Only organized confusion
Abm
I'm just trying to get it right
E
And in spite of all I should've done

Pré-Refrão:
B
I was not mad at you
Dbm
I was not trying to tear you down
Abm
The words that I could've used
E
I was too scared to say out loud

B
If I cannot break your fall
Dbm
I'll pick you up right off the ground
Abm
If you felt invisible
E
I won't let you feel that now
