

# Linkin Park - Loatr / Sotd / Iridescent

Tom: C

**Am**  
I dreamed I was missing.  
**C**  
You were so scared,  
**F**  
But no one would listen  
**Dm**  
'Cause no one else care.  
**Am**  
After my dreaming,  
**C**  
I woke with this fear.  
**F**  
What am I leaving,  
**Dm**  
When I'm done here?  
**F**  
So if you're asking me,  
**Dm**  
I want you to know:

[Chorus]  
**Am**  
When my time comes  
**C**  
Forget the wrong that I've done,  
**F**  
Help me leave behind some  
**Dm**  
Reasons to be missed.  
**Am**  
Don't resent me,  
**C**  
When you're feeling empty  
**F**  
Keep me in your memory,  
**Dm**  
Leave out all the rest

Leave out all the rest...

(Am G Fm ) 2x

**Am** **G** **F**  
I close both locks below the window.

**Am** **G** **F**  
I close both blinds and turn away.  
**Am** **G** **F**  
Sometimes solutions aren't so simple.  
**Am** **G** **F**  
Sometimes goodbye's the only way.  
**A** **G** **F**  
And the sun will set for you,  
**A** **G** **F**  
The sun will set for you.  
**A** **F**  
And the shadow of the day,  
**A** **F**  
Will embrace the world in grey,  
**A** **G** **F**  
And the sun will set for you.

**C** **Am** **G**  
Do you feel cold and lost in desperation  
**G** **C** **Am** **G**  
You build up hope of failures, all you've known  
**G** **C** **Am** **G**  
Remember all the sadness and frustration  
**F** **G**  
And let it go, oh oh oh oh

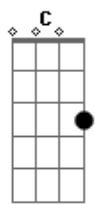

**C** **Am** **G**  
Let it go oh oh oh, oh  
**C** **Am** **G**  
Let it go oh oh oh, oh  
**C** **Am** **G**  
Let it go oh oh oh, oh  
**F** **G**  
Let it go oh oh oh

**C** **F** **Am**  
Do you feel cold and lost in desperation  
**G** **C** **F** **Am**  
You build up hope the failures all you've known  
**G** **C** **F** **Am** **G**  
Remember all the sadness and frustration

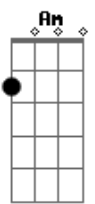

**F** **G** **Am** **G** **F**  
And let it go, oh oh oh oh, let it go

(Am G F )2X
