Tom: G
Intro: Em C G (G)
```
           Em              C       G     (G )
Should I've stayed, where the signs I ignored?
      Em           C     G    (G )
Can I help you, not to hurt, anymore?
        Em            C       G    (G )
We saw brilliance when the world was asleep
           Em              C           D
There are things that we can have, but can't keep
     D
If they say
     D                 Em
Who cares if one more light goes out?
     C                 G
In a sky of a million stars

It flickers, flickers
    (G )           Em
Who cares when someone's time runs out?
       C                 G
If a moment is all we are

We're quicker, quicker
   (G )           Em
Who cares if one more light goes out?
    Am G (G )
Well I do

         Em            C           G   (G )
The reminder, for the fall from your fear
     Em           C           G     (G )
Indication, one more trip that you need oh
              Em        C           G
And you're angry, and you should be, it's not fair
    (G )         Em        G          D
Just cause you can't see it doesn't mean it isn't there
```

```
If they say
     D                 Em
Who cares if one more light goes out?
     C                 G
In a sky of a million stars

It flickers, flickers
    (G )           Em
Who cares when someone's time runs out?
       C                 G
If a moment is all we are

We're quicker, quicker
