Linkin Park - Over Each Other

```
                    tom:
                     A
       [Primeira Parte]
```

```
Dm                             F          Am
   This is the letter that I, I didn't write
Dm                        F          Am
   Looking for color in the black and white
```

Pre-chorus
```
Bb                     Dm          Am
Skyscrapers we created on shaky ground
Bb                    C
And I'm tryna find my patience
```

[Refrão]
```
                          Bb                    Dm
But you won't let me breathe and I'm not ever right
            C                 Gm
All we are is talkin' over each other
                          Bb                    Dm
There's nothin' underneath, it's all a waste of time
            C                 Gm
All we are is talkin' over each other (Over each other)
```
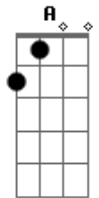

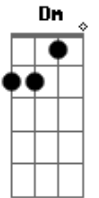

```
Over each other
```

[Segunda Parte]
```
Dm                              F          Am
   Reaching for satellites, but all along
Dm                        F          Am
   Under your breath, you're sayin' that I was wrong, oh-oh
```

Pre-chorus
```
Bb                        Dm          Am
The skyscrapers we created are comin' down
```
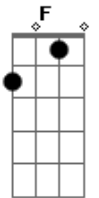

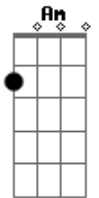

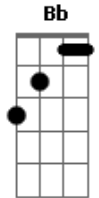

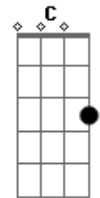

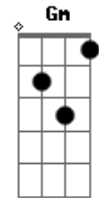

```
Bb                          C
And free-fallin' to the pavement
```

[Refrão]
```
                          Bb                    Dm
'Cause you won't let me breathe and I'm not ever right
            C                 Gm
All we are is talkin' over each other (Over each other)
                          Bb                    Dm
There's nothin' underneath, it's all a waste of time
            C                 Gm
All we are is talkin' over each other (Oh, oh-oh-oh-oh)
```

[Ponte]
```
Bb                  Dm        C
Are we over each other? (Oh, oh-oh-oh-oh)
Bb                  Dm        C    ( Bb )
Are we over each other? (Oh, oh-oh-oh-oh)
```

[Refrão]
```
                    Bb                    Dm
I can't go to sleep, I lie awake at night
            C                 Gm
I'm so tired of talkin' over each other (Over each other)
                    Bb                    Dm
So, say what's underneath, I wanna see your side
            C                 Gm
We don't have to be talkin' over each other (Over each other)
             Am  Bb              Dm
Over each other, over each other
C           Bb  Dm
Over each other
C
Over each other
```
