[Primeira Parte]

**G Bm**  
 Hand on my mouth, I shouldn't have said it  
**G Bm**  
 Gave you a chance, already regret it  
**G Bm**  
 Trying so hard to be sympathetic  
**G Bm**  
 But I know where it's gonna go if I let it

And I let it

[Pré-Refrão]

**G Bm**  
 Knowing you're hiding  
**Bm**  
 What no one else sees  
**G Bm**  
 Close-lipped smile because there's  
 Blood on your teeth  
**G Bm**  
 What you forget you are gonna repeat

You don't get to make amends

Like your hands still clean

[Refrão]

**G Bm**  
 Because you're sta\_\_ined  
**A**  
 You try to hide the mark  
**G Bm**  
 But it won't fade  
**A**  
 You lie and lie like I was nothing  
**G D**  
 Pretend you're spotless  
**A Bm**  
 But I don't wash away  
**A G D A**  
 And now you're sta\_\_ained  
**G D A**  
 Now you're sta\_\_ained

[Segunda Parte]

**G**  
 Sweat in your hands while  
**Bm**  
 The time starts ticking  
**G**  
 Tripping on words  
**Bm**  
 Alibi starts slipping  
**G**  
 Wanna wake from the nightmare  
**Bm**  
 You've been living  
**G**  
 But we both know forgotten  
**Bm**  
 Doesn't mean forgiven, forgiven

[Ponte]

**Em**  
 And someday  
**G**  
 Knowing you're hiding  
 What no one else sees  
**Bm**  
 And someday  
**A**  
 Close lipped smile  
 Because there's blood on your teeth  
**Em**  
 And someday  
**G**  
 What you forget you are gonna repeat  
**Bm**  
 Try to make amends  
 Like your hand's still clean  
**A**  
 But we both know  
 That your hand's not clean

**G Bm**  
 And someday  
**A**  
 Your hands will be  
**G Bm**  
 Too red to hide the blame  
**A**  
 You'll realize you had it coming

[Final]

**G D**  
 Pretend you're spotless  
**A Bm**  
 But I don't wash away

 And now you're sta\_\_ained  
**G D A**  
 And now you're sta\_\_ained
